Dear Parents and Guardians,

Sunrise Middle School will be bringing back

students to campus this spring.

For safety precautions the school will:

- Require students to wear masks
- Make sure students stay six feet apart
- Make sure students wash hands at least four times daily
- Regularly clean or disinfect

In turn, Sunrise asks that parents also contribute the safety of the school by doing the following:

- Making sure their students come to school wearing face masks that cover the nose and mouth
- Making sure students come with their own water bottle
- Making sure their students attend class from home if they feel sick, if someone in the family is sick, or if anyone in the family has been exposed to someone with COVID in the last 2 weeks.

Additionally, please be advised:

- Students' school schedule will remain the same – from 8 am to 2 pm daily. (No minimum day)
- Parents may not drop off their students before 7:45 am and need to pick them up no later than 2:15 pm.
- Students need to follow the school's dress code – please see attached sheet.

Please sign the acknowledgement below and return it to the school before your child comes to school.

Sincerely,

Teresa Robinson, Director
